

Members Support Wild Ones Mission with Generous Gifts & Contributions

Another Great Year for Wild Ones: Thanks to you.

We are delighted to be celebrating the 33rd anniversary of Wild Ones in 2012, and this could only have happened with your help. Thank you to all who have made contributions toward the Wild Ones efforts in 2011, and who have supported us with your membership through these many years. We are committed to being a good steward of all financial resources entrusted to Wild Ones, as well as the personal trust you have placed in us. Our goal is to spread the word about the benefits of using native plants in our landscaping as effectively as possible.

Many things have happened this past year, including a great start to our Grow Wild Ones campaign. We were privileged to be granted a contract through the AmeriCorps Program, which gave us two additional staff persons during much of the year. Lindsey Lefeber handled membership operations, and Zaiga Freivalds handled WILD Center operations, which freed up regular staff Jamie Fuerst and Donna VanBuecken to do things related to our growth goals. We are pleased to announce that we have surpassed the 3,000-member mark, and as of this date have reached a total of 3,088 members. This could only have been accomplished with your dedication to our mission and your desire to see Wild Ones succeed.

Other good things that have happened include the Chapter Workshops, which were just conducted in conjunction with the Wild Ones Annual Membership Meeting. This was a "first ever," and it was a huge success. We're looking forward to repeating this event again next year. We also developed an overall landscape plan for the WILD Center, and have received sufficient funding to begin developing the short grass pollinator prairie this fall. Through the able assistance of Eagle Scout candidate Mike Bunno and his crew, we now have our library set up and books are ready for lending. We started First Thursdays, which is a day set aside each month for volunteers to work at the Center while networking with others and learning about native plants at the same time. And we expanded the use of our Wild Ones Facebook page.

We are pleased to be able to say that we are expanding our presence, as well as our footprint. We have members in all but four states, members in Canada and Australia, and our lifetime member locations cover Florida, Illinois, Michigan, Minnesota, Missouri, New York, Washington, and Wisconsin.

At the WILD Center, we've also seen an increase in the number of visitors and volunteers, and an increase in the distance from where they've traveled. This year we had visitors from as far away as California, Tennessee, and Baghdad, Iraq - and volunteers from all over Wisconsin. All in all, we have welcomed 455 volunteer hours at the national headquarters and the WILD Center, which includes Wild Ones members, local school groups, and master gardeners.

Every effort has been made to ensure that the donor lists are accurate and reflect gifts made from October 9, 2010, through September 22, 2011. However, should there be an error or omission, please contact Donna VanBuecken, Executive Director at 877-394-9453 (877-FOR-WILD) or via e-mail at execdirector@wildones.org.

Thank you to all whose gifts are planting the seeds for native landscaping.

Wild Ones Volunteers of the Year

If you've stopped by the WILD Center during the past year, chances are you not only found either Wild Ones staff members Jamie Fuerst or Donna VanBuecken there, but you may have also found Fox Valley Area Chapter members Dave Edwards or Rich Winter there.

Dave often volunteers his time during the day, working on the gardens and constructing various amenities, while Rich is often there during the evening or a weekend day, fighting buckthorn and restoring the riparian woodland.

Both Dave and Rich have been invaluable to the progress made to date in the development of the WILD Center.

Our special thanks go out to them, and also to the many others who have volunteered their time toward developing the Wild Ones Institute of Learning and Development. We were especially pleased to have other chapters plan work days here at the Center in addition to all the assistance the Fox Valley Area Chapter provides. Wolf River Chapter and Green Bay Chapter spent a day with us this year. Thank you all.

Get Wild – Stay Wild

Yellow coneflowers. Photo by Mary Jo Adam.

There are many ways to help Wild Ones promote environmentally sound landscaping practices to preserve biodiversity through the preservation, restoration and establishment of native plant communities.

Annual Support: Acorn Circle members who provide dependable income for Wild Ones programs by making their annual gifts through convenient monthly deductions via credit card, direct debit from a designated financial account, or from an employer.

Bur Oak Circle: Donors who make annual gifts of \$1,000 or more

Oak Savanna Circle: Members who have loyally supported Wild Ones for 15 years or more.

Employee Matching Gift Program: Many companies and organizations will match employee contributions

Special Gifts and Heritage: The Wild Ones Legacy Program provides the opportunity to gift appreciated stock, real property, in-kind gifts, IRA-rollover gifts (option through December, 2007 per the Pension Protection Act of 2006), and multi-year commitments. Bequests, charitable gift annuities, trusts, and other planned giving vehicles provide significant support to Wild Ones while also benefiting the donors and their families.

Volunteer: More than 4,300 people annually volunteer their time and energy for land conservation, and community garden plantings and for the WILD Center.

Lifetime Members: Long-term commitment to Wild Ones mission and its goals.

For more information on supporting Wild Ones through the *Get Wild Stay Wild Program*, please contact Donna VanBuecken, Executive Director, Wild Ones, P.O. Box 1274, Appleton, Wisconsin 54912, 877-394-9453 (toll free), execdirector@wildones.org, or visit our web site at www.wildones.org/legacy/.

Wild turkey flying.
