

## Members Support Wild Ones Mission with Generous Gifts and Contributions

Thank you, everyone!

Thanks to you, Wild Ones has had an awesome 35th year. We are delighted to tell you that we were only 34 members away from 4000 in October and are looking forward to definitely hitting President Tim Lewis' 4000 member goal or even more in 2015. This growth and everything else we've done this year could only have been accomplished because of you and your generous support toward our mission. Thank you, everyone.

Your financial as well as your personal contributions towards the Wild Ones efforts in 2014 and through your membership for these many years, have moved us another step toward successfully spreading the word about the importance of native plants to biodiversity and to the well-being of our Earth. We are committed to being a good steward of all contributions entrusted to Wild Ones.

Many wonderful things have happened this past year. The Wild for Monarchs Program continues to be a huge success and Monarch Watch has continued to increase the value of our Seeds for Education Grant Program by providing additional funding for grant recipients registering their Waystations. Our Internet resources have continued to grow through our new social media program and more of our chapters have successfully developed websites as part of the whole Wild Ones website. The Native Plants Butterfly Garden Recognition Program took us a little longer than we expected to get going, but it is now running smoothly.

Photo by Betty Hall, "Downy Skullcap"

If you haven't registered your garden, please do as soon as possible. We hosted the "Moving for Monarchs" ballerina at our 35th anniversary celebration and have gathered sufficient donations toward the new film *Hometown Habitat* that Wild Ones will be listed in the credits. We also recently attended the Monarch Joint Venture (MJV) annual meeting and participated in updating the 2008 North American Monarch Conservation Plan (NAMCP) and developing the

Trinational Action Plan/NAMCP along with other MJV partners and representatives from federal agencies.

Along the way we welcomed two new chapters: Prairie Edge in Minnesota and Will County in Illinois. We also awarded 16 Seeds for Education Grants. Finally, we have developed our first complete strategic plan to guide us as we plan how to use the nearly \$107,000 bequest from one of our members to "Spread the Word" about the importance of native plants to biodiversity and the very existence of this planet Earth.

So, as of this writing we have 3,819 members in 47 states and Washington DC and in two provinces of Canada. The WILD Center continues to become better known not only as the national headquarters for Wild Ones: Native Plants, Natural Landscapes, but also as a public garden, having increased our visitors registration by 22% (and we know many visitors do not register because we see them walking through the gardens daily!). We've had visitors from California, Idaho, Kentucky, Maryland, New York, Pennsylvania, Tennessee, Virginia, the Netherlands, and of course from across the Midwest. We filmed Doug Tallamy, PhD while he presented the keynote at the Wild Ones Fox Valley Area annual conference and hosted author Mariette Nowak at Fox Cities Book Festival. And we gratefully accepted 930.75 volunteer hours that included Wild Ones members, local school groups, master gardeners and 90 Pathfinders.

Every effort has been made to ensure that the donor lists are accurate and reflect gifts made from October 10, 2013 through October 22, 2014. However, should there be an error or omission, please contact the national office at 877-394-9453 (877-FYIWILD) or via e-mail at [execdirector@wildones.org](mailto:execdirector@wildones.org).

Since as a result of the historic meeting between the North American Leaders Summit last February, America has now also gotten on-board with its "Federal Strategy to Promote the Health of Honey Bees and Other Pollinators," Wild Ones future and the fulfillment of our mission has just gotten a huge boost. With your continued support, it is our goal to expand the movement during our 36th year so more people will understand the important role all of us need to play in revitalizing our own yards and our communities' green spaces with native plants and natural landscapes to preserve our nation's biodiversity.

## WILD Center Volunteer of the Year

We are pleased again to be able to present Dave Edwards as our Volunteer of the Year. Since we moved in 6 years ago, Dave has been a steadfast volunteer at the WILD Center (Wild Ones Institute for Learning and Development) helping with any and all chores that needed to be done. Dave often volunteers his time during the day, working on the gardens and constructing various amenities. He has been invaluable as a leader for other volunteers as well, while working harder than all of us.

This past year we have been fortunate to have had many volunteers from all over the United States work with us. The international summit of the Pathfinders which was held at the EAA grounds brought youngsters from New York, Indiana, Colorado, Texas, Nebraska and Iowa just in time to help with the spruce-up for our 35th anniversary celebration. They, along with the many other volunteers from the Fox Valley Area Chapter and the Fox Valley community, are to be commended for spending some of their free time at the WILD Center helping us fight buckthorn, restore the site and keep the trails open. It goes without saying that the progress we've made to date in the development of the Center would not be so far along without Dave's and their valuable assistance.

**Thank you all.**

# Wild Ones Legacy

Helping You Help Wild Ones

After You're Gone

## The Wild Ones Legacy Program

To fund its important programs, Wild Ones depends heavily on private contributions from caring individuals. Donors are discovering the benefits of supporting charities through their estate plans. Through the **Wild Ones Legacy Program** we will work with you and your estate-planning professionals to help you help Wild Ones, after you are gone, to continue to get its message across and to expand the movement. With your assistance we will continue to spread the word about how important native plants are to our very existence and to the existence of the Earth as a living planet.

These donations (often called planned gifts) can offer many advantages:

- Reduce estate taxes.
- Provide a life-income stream.
- Allow you to make a much larger gift than you thought possible.
- Receive a current income-tax deduction.
- Reduce or avoid capital gains tax.
- Support Wild Ones mission and work.

If you have not yet included the Wild Ones in your estate plans, the following are some of the most popular methods to accomplish that. If you have questions or would like more information, please contact National Counsel, Bret Rappaport, at 312-845-5116 or [b.rappaport@comcast.net](mailto:b.rappaport@comcast.net), or the Wild Ones National Office at 877-394-9453 or [execdirector@wildones.org](mailto:execdirector@wildones.org).

## Wills

One of the simplest and most common ways to remember Wild Ones and help us carry on our mission is to leave a bequest through your will.

The following is suggested language to use in wills and a variety of other estate planning tools – feel free to print this and take it to your attorney when you are discussing your estate plans.

### When making a gift to the Wild Ones Natural Landscapers, Ltd., use this language:

"I give and bequeath the sum of \$ \_\_\_\_\_ (or \_\_\_\_\_ percent of my estate) to the Wild Ones Natural Landscapers Ltd., to be used for its general purposes."

You may also give a particular asset ("my shares of XYZ stock...") or a portion of the residue of your estate after other bequests have been paid ("50 percent of the rest, residue and remainder of my estate...").

## Trusts

There are many different types of trusts that can serve a variety of purposes. It would be impossible to give even a brief explanation of the many types of trusts in this information. The advice of an attorney and qualified financial planner is necessary to assess your situation and decide which trust might best serve your goals. Please know, however that it is easy to include a gift to Wild Ones through your trust by using the language set forth above.

Also, there are trusts (called Charitable Remainder Trusts) that can provide you or your loved ones with a life-income stream while also providing a gift to support the programs of the Wild Ones. Please check with your financial advisor to determine what is best for your situation.

## Life insurance

Life insurance can be a valuable tool in estate planning. By naming beneficiaries on policies, the proceeds can be paid directly to that person or organization without having to go through probate. Life insurance also offers a wonderful way to make a charitable gift. It is possible to make gifts with "paid-up" policies, policies with premiums still due, policies where you can retain the right to a policy's cash value, or by assigning the dividends in a participating policy. Check with your insurance agent to see which option would be best for you.

## Pay on death or transfer on death accounts

This estate planning tool can be an effective way to quickly transfer assets – such as bank accounts – to a beneficiary, because it avoids that asset going through the probate process. It also allows you to change the beneficiary at any time.

When establishing the account, tell your banking representative that you wish it to be a "Pay on Death" account. They will ask you for the name of the person or charitable organization you wish to receive the property upon your death.

## Gifts of securities

While a gift of securities is not strictly an estate-planning tool, there are significant advantages to this type of donation that have allowed many donors to make gifts that will live on after they are gone.

If you have owned stock for at least one year that has increased in value, you can donate that stock to a charitable organization without having to pay capital-gains tax on the increase. Additionally there is an income-tax charitable deduction equal to the full current market value of the securities (up to 30 percent of the donor's adjusted gross income). Using appreciated stock to fund a gift annuity offers added tax benefits to that gift.

Note: In order to receive the most favorable tax treatment, you must donate the securities to the Wild Ones – you cannot sell the stock and donate the proceeds. If you would like more information on how to make this transfer, please contact the Wild Ones National Office.

## Retirement plan assets

With the increase in the variety of retirement plan assets that people own, an important aspect of your estate planning should be making sure that the money invested in these accounts goes to the people or organizations you wish to receive them.

Examples of these different retirement plans include IRAs, pension plans, Keogh, and 401(K) accounts. If you are contemplating a charitable gift in your estate plans, using assets such as those in retirement plans can maximize your donation while allowing other property that is not subject to some taxes to be passed to your beneficiaries. Consult your financial advisor to see what is best for your particular estate plan.

# GET WILD STAY WILD

## How You Can Help Support Our Mission

There are many ways you can help Wild Ones promote environmentally sound landscaping practices to preserve biodiversity through the preservation, restoration, and establishment of native plant communities – including financial support or volunteering your time. You can choose to provide additional support in various ways. Which of these might work for you?

### Annual Support

Annual gifts, in addition to membership fees, provide critical ongoing resources to support daily operations and enable Wild Ones to carry out its mission throughout the year.

**Acorn Circle** members provide dependable income for Wild Ones programs by making their annual gifts through convenient monthly deductions via credit card or direct debit from a designated financial account. Any amount is greatly appreciated.

### Burr Oak Circle

Donors who make annual gifts of \$1,000 or more are honored through this leadership circle program, and are provided with special benefits such as special retreats at the Wild Ones headquarters and a 10 percent discount on items at the Wild Store.

### Oak Savanna Circle

Members of this circle have loyally supported Wild Ones for at least 15 years or more.

### Employee Matching Gift Program

Many companies and organizations match employee contributions, greatly increasing the impact of a charitable gift to Wild Ones. Please contact your human resources office for further information.

### Special Gifts and Heritage

Contact the Wild Ones Executive Director for further information about the Wild Ones Legacy Program which includes making gifts of appreciated stock, real property, in-kind gifts, IRA-rollover gifts (option through December 2013 per the Pension Protection Act of 2006 amended), and multi-year commitments. The Legacy Program (see opposite page) also can include bequests, charitable gift annuities, trusts, and other planned giving vehicles which provide significant support to Wild Ones while also benefiting the donors and their families.

### Volunteer

More than 6,000 people annually volunteer their time and energy for land conservation, community garden plantings, and other chapter and national Wild Ones activities. Please consider becoming a “plants-roots” partner with Wild Ones.

### Lifetime Members

Lifetime members have shown a long-term commitment to the Wild Ones mission and its goals.

### Gift Memberships

One of the easiest ways to advocate and help others who are not already Wild Ones members learn about the benefits of using native plants in their landscaping is to give them a gift membership.

For more information on supporting Wild Ones, contact Donna VanBuecken, Executive Director, Wild Ones, P.O. Box 1274, Appleton, Wisconsin 54912-1274, 877-394-9453 (toll free), [execdirector@wildones.org](mailto:execdirector@wildones.org), or visit our web site at [www.wildones.org/](http://www.wildones.org/).
