CERTIFY YOUR NATIVE HABITAT

Certifying your native habitat garden formally recognizes your efforts in ecological restoration and connects you to a network that promotes environmental stewardship and biodiversity conservation.

CRITERIA

- Be an active Wild Ones member.
- Strive for at least 75% native plants in your garden or habitat area.
- Support local wildlife and follow regenerative gardening practices.

REGISTER

- Ensure your habitat meets criteria.
- Apply online through our website.
- Pay \$50 fee for processing.

Once approved, your sign will be mailed.
